Attention Division Personnel:

On Saturday, April 9, 2022, the Division will be hosting our first ever Marshmallow Drop. We are going to be inviting children from across the city to join us at the academy, where our chopper will hover over one side of the parking lot and drop marshmallows. After the chopper drops the marshmallows, children will be able to run around and collect as many marshmallows as they can. The children will then go to an area set up by a local church to turn in their marshmallows and receive a prize.

You are welcome as well to bring your children to this family friendly event as well. We hope to see you there!

Good afternoon everyone,

There was some question on where we were going to set up the static display for next Saturday's event. I have attached a layout on where we will set everything up. Please confirm with me at your earliest convenience whether or not your respective units will be present.

Respectfully,

Subject: Easter Event / Marshmallow Drop

Good morning everyone,

On Saturday, April 9th from 1pm-3pm the division is going to be hosting a marshmallow drop / hunt to celebrate Easter. We are going to be inviting kids from across the city to join us at the academy, where our chopper will hover over one side of the parking lot and drop marshmallows. After the chopper drops the marshmallows, kids will be able to run around and collect as many marshmallows as they can. The kids will then go to an area set up by a local church to turn in their marshmallows and receive a prize.

The reason why I am sending this to all of you is because we would like all of your units to be present for a static display. If you can, please be at the academy at 12:30pm on Saturday, April 9th to set up for the display. Overtime is approved if necessary per 1st Assistant Chief Potts.

If you have any questions, please reach out to myself or Officer Anthony Johnson.

Good afternoon Miranda,

I know this is short notice, but we are hosting an Easter event at our academy next Saturday, April 9th. We are going to drop a large amount of marshmallows from our helicopter and let children collect them. The children will then be able to take their collected marshmallows to an area run by Rock City Church, where they can collect a prize.

We would like to have juice boxes, small bottles of water, and snacks (fruit snacks, small bags of chips, etc.) present for the event to give to community members who are present. Is that something the foundation will donate if I fill out a grant form? I was not sure with the short notice.

Thank you and I hope you are doing well,

Fantastic, thank you!!! We will absolutely add the logo on an updated flyer. I will probably go out in the next few days to purchase the items and will email you a receipt.

Thank you for your help.

Sgt. Albert –

The grant request was approved. The easiest way for reimbursement is for someone to purchase the items then provide me with the receipt and our Treasurer will mail a reimbursement check.

Will that work?

Also – are you able to add the Foundation as a sponsor to the flyer for the Drop?

Thank you!
